**Notice to Dealers in
TURPENTINE & TAR.**
WILMINGTON JUNE 1, 1847.
THE undersigned, purchasers and dealers in
Naval Stores in this place, with a view to adopt
some general regulations which seem to be neces-
sary for the better and more in accordance
with the customs of other markets, have agreed to
establish for their future government, the follow-
ing REGULATIONS.
That as no good reason is apparent to them for
changing the size and weight of barrels of Tur-
pentine, and it would perhaps be productive of in-
convenience to the makers, it will be purchased as
heretofore, the gross weight of the barrel to be 320
lbs., or 260 lbs. net; the turpentine to be delivered
on the yard for inspection at the expense of the buy-
er, and as there has been in many cases, an unjust
inequality in filling upon the amount of Extra,
and whereas the law prescribes that the order of
turpentine shall be, when exposed for sale, with
out prescribing any remedy in case it is not in
said order, we therefore agree that hereafter a de-
duction shall be made under the denomination of
extra coopers as follows: For scuttling, packing,
&c., one cent per barrel, for the first two barrels
of each lot, and one cent for each additional barrel
that may be shipped short of twelve as prescribed
by law, one cent each, and for each hoop less than
ten that may be short, two cents each, and what
other labor may be necessary to put it in the or-
der the law prescribes to be adjudged by the In-
spectors, together with the usual deductions for un-
merchantable barrels exceeding the number
taken to pack. Purchases made at the Rail
Road Depot will be subject to a deduction of
two cents per bbl. drayage, thereby plac-
ing the sellers per Rail Road on a footing
with those by water. These regulations will apply
to Tar, only so far as regards expense of rolling,
drayage and inspection. The custom adopted in
referring to the condition of the barrels it is sup-
posed must be free from all objection, as turpen-
tine put up in perfect order will only be subject to
a deduction of one cent per bbl. instead of the for-
mer rates of extra.
We also agree that in future we shall refuse
to compromise for fraudulent mixtures as hereto-
fore, that we deem chips, straw, billets of wood,
limbs, dirt, &c., as a fraudulent mixture, and that
we shall abide by the strict letter of the law in all
such cases. And whereas it appears that the In-
spectors do not consider themselves authorized to
make bills otherwise than as prescribed by law,
that we will in all cases, purchase by the bbl. of
320 lbs. and allow the Inspector to make his bill of
the law direct 280 lbs. but that there shall be de-
duction from the one either of the amount of

Spring and Summer Medicine.
Dr. Townsend's Sarsaparilla.
THE MOST EXTRAORDINARY MEDICINE IN
the world. This extract is put up in quart bottles;
it is a powerful purgative, and cures all diseases
due to any kind of impure blood. It cures all
purging, itching, or debilitating the patient.
The great beauty and superiority of this Sarsaparilla
over all other remedies is, while it eradicates disease,
it invigorates the system, and restores the patient
to his former state of health. It has cured
1,000 cases of Rheumatism.
1,000 cases of Dropsy, and all kinds of nervous
diseases.
2,000 cures of general debility, and want of nervous
energy.
3,000 Female complaints and over
7,000 cases of diseases of the blood, viz:
Ulcers, Scrofula, Erysipelas, St. Rium, Pimples
on the face, &c., &c., together with numerous cases
of consumption, Liver Complaint, Spinal Affection, &c.
This, we are aware, is a very incredible list, but we
have letters from physicians and our Agents from all
parts of the United States, testifying to the efficacy of
this medicine. A Van Bursick, Esq., one of the most re-
spected druggists in Newark, New Jersey, informs us
that he can refer to more than one hundred and fifty
cases in the City of New York, which we will refer to with
pleasure, and in order of character well known.
Entered States Office.—Capt. G. W. McLean, mem-
ber of the New Jersey Legislature, late of the United
States Navy, has kindly sent us the following certificate.
It tells its own story:—
Rahway, January 25, 1847.
A year since I was taken with the influenza and my
whole system was so affected, that I was unable to
do any kind of business, and was confined to my bed
for three or four weeks. I was then taken with a
fever, and it did not improve very rapidly. I believe it
saved my life, and would not be without it, if I were
suffering from any disease. I have since used it, and
it has cured me of all my ailments. I have since
recommended it to all my friends, and it has cured
many of them. I have since used it, and it has cured
me of all my ailments. I have since recommended it
to all my friends, and it has cured many of them.
The success of Dr. Townsend's preparation of Sarsaparilla
is a fact, and it is a fact, that it is a most extraordi-
nary medicine. We publish to-day two certificates in its behalf,
from Capt. McLean, of the United States Navy, and
Mr. Van Bursick, of Newark, New Jersey, which are
well known in the City of New York, and which we
will refer to with pleasure, and in order of character
well known. I have since used it, and it has cured
me of all my ailments. I have since recommended it
to all my friends, and it has cured many of them.
